Direction to issue a label has been given on: 02 December 2002

.....  
**SUMMARY OF THE REASONS FOR DECISION:**

The DVD *Envy* is classified as:  
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD contains a feature previously examined and classified as a video recording, by the Office of Film and Literature Classification. The video recording *Envy* was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Violence, sexual themes and offensive language". This decision was registered on 6<sup>th</sup> September 2002.

The DVD has components that are different from those in the video recording. These include four short featurettes, a deleted scenes segment and a trailer. This new material does not provide grounds to alter the classification given to the original publication.
